

Arts, Equity, & Education Fund™

Celebrate!

Dear AE&E Fund Family & Friends,

As 2023 draws to a close, we celebrate another year of grantmaking within a community of exceptional organizations, artists, and educators. Through respect and trust in our grantees, our mission of amplifying change and elevating underrepresented voices continues to grow.

Today marks the beginning of our 7th year! A better reflection of the real world in arts and education consistently motivates our team as we implement the lessons learned from the past six years.

Congratulations to our new and established partners - we applaud each of you and your commitment to shared goals.

Have a wonderful holiday season; we can't wait to see what you achieve in 2024!

Season's Greetings from the AE&E Fund Team,
Karla, Min, Rachel, Dawn and Chris

Congratulations!
